

## About Dr. Harriet H. Roberts

*Dr. Harriet H. Roberts is a personal and professional coach, consultant, and licensed psychotherapist. She has more than twenty-five years experience working with very diverse populations in public organizations, as well as, in private industry. Harriet has broad and extensive experience working with individuals, groups, managers and executives on local, state and national levels - addressing organizational effectiveness and organizational developmental concerns attendant to the workplace. This experience provides her with keen insights and a breadth of understanding of the myriad of problematic concerns that occur in these settings. Her experience and understanding of human systems enable her to significantly facilitate problem resolution and productivity to obtain effective results.*

Harriet's experience includes working with healthcare, educational, criminal justice and employment systems on matters of strategic planning, conflict resolution, team building, stress reduction, marketing, and decision-making, change and reorganization, and program development in the present, and into the future. She has had a successful private practice as a consultant, psychotherapist and coach. Prior to establishing a private practice, Dr. Roberts developed and directed a community-based family therapy program for more than twenty (20) years. She and her husband have one daughter. She enjoys traveling (especially in the Caribbean Islands), and cooking gourmet meals.
